Additional Information

- Please arrive 15 minutes prior to the start of class to complete registration (if not already done) and to sign-in at the registration table.
- Rental skates are included. If needed, a staff member will help you with the correct size and type of skates.
- Wear warm comfortable clothing (layers are best). Including hats, gloves or mittens, and wear one pair of thin socks that cover your skater's ankles.
- **HELMETS are highly recommended—especially for skaters at the beginner levels. Bicycle Helmets are acceptable.**
- Skaters will meet the instructors inside the arena next to the ice entrance. Parents are asked to leave your skater with the instructors and to view the classes from the bleachers or inside viewing area. This helps your skater stay focused on the lesson and to pay full attention to the instructor.
- When a public session is scheduled immediately following the group lessons, skaters are allowed and encouraged to practice the skills they have learned during class at no additional cost.

Parent Education

Parent education meetings will be held once per session. Meeting dates and times will be announced at the beginning of each session.
